What is an Owner-Occupied Housing Rehabilitation Program?

The City of Syracuse has received funding from the Nebraska Department of Economic Development (NDED) to establish an Owner-Occupied Housing Rehabilitation Program. Eligible homeowners may receive assistance to make structural, mechanical, electrical, weatherization and plumbing improvements to their homes.

What is the Program Area? Housing Rehabilitation Assistance will be available within the municipal limits of the City of Syracuse.

How do I know if I'm eligible?

There are certain eligibility requirements, including income, assets, and homeownership. Mobile homes and rental properties are not eligible for participation in the program.

Will I have to repay the assistance?

Conditional Grant. Applicants can qualify for a 100% Conditional Grant that will be forgiven after 6 years if owner does not move, sell or rent their property within the 6-year affordability period.

How much assistance is available?

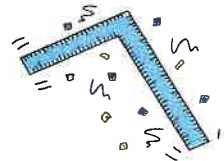

Financial assistance per household generally ranges from \$5,000 - \$23,000 per unit. The maximum per housing unit is limited to \$24,999. This limit unfortunately may exclude certain homes from participating in the program. For example, if a home will not meet basic standards after injecting \$24,999
